Her general practice covers various industries, including construction, insurance and reinsurance, telecommunication, and media and technology.

Beyond general practice, Noppramart is also one of Thailand's most well-regarded transportation and shipping industry lawyers, known for her in-depth understanding of the industry and her work representing P&I Clubs, ship owners, shipyards, insurers, and cargo owners in disputes related to cargo claims, bills of lading, charterparties, marine insurance, collisions-at-sea, ship arrests, bunker disputes, and contamination of liquid cargo.
